Staging Units: N/A

Entry Door:

Front entry door to room: 1.0m wide x 2.3m high
(Stairs to access venue only)

Loading Dock:

The loading dock is located off Berwick Street, and is a shared Loading facility for all the Judith Wright Centre tenants. Freight arrival and departure must be scheduled by the Technical Manager and can depend on availability. There is no facility to hold freight onsite.

External Loading Dock Height: 9.6m
Door Dimensions: 3.5m High
3.5m Wide:

Restrictions

The Loading Dock is four levels below stage level. All freight must travel to stage level via the goods lift. Access dimensions are: Door; 2.0m wide x 2.4m high, Depth; 3.8m deep, Load Capacity; 3.5tons. Due to the small turning circle in Berwick Street, trucks should be limited to 6t or smaller.

There are then two flights of stairs to the venue. There is no lift to this level.
